Insurance

Whilst *Bombora Publishing** carries appropriate insurance for the conference, it will not accept any liability for damages of any nature sustained by participants or their accompanying persons or for loss or damage to their personal property. It is recommended that you take out appropriate travel & medical insurance before travelling to the conference.

Program Change

This conference program is correct at the time of publishing. *Bombora Publishing** reserves the right to alter the program at any time.

Use of Personal Information

*Bombora Publishing** will collect and store information you provide during the registration process for the purposes of enabling us to:

- register your attendance at the conference
- assist with administrative and planning purposes
- plan and develop other conference events in the future
- facilitate your requirements for this conference
- allow the analysis of data in relation to this conference.

The information that you provide here and at any other time during the conference, including any feedback obtained during or after the conference, will be used by the organisers to offer, provide and continue to improve its conferences and other services.

Your personal information will not be disclosed to any third-party other than those agreed to, by you not choosing to 'opt out' from the delegate lists during the registration process.

* *Bombora Publishing* trades as *F&P*
